Cooperation Grant Agreement n° 219301 NET-HERITAGE

EC Funding

€ 1.986.508

Duration 36 months

NET-HERITAGE : OBJECTIVES

- Provide an **integrated picture of the state-of-the-art** of cultural heritage research in the European Member States and at the European level;
- Overcome the lack of a coordinated research structure** in this specific and multidisciplinary sector;
- Limit fragmentation within, and among, national research programmes by identifying common strategic priorities for research and cultural heritage programmes;

NET-HERITAGE : OBJECTIVES

- Create effective actions to **stimulate the exploitation of research results**, and underpin cooperation between researchers and cultural heritage institutions for the application of identified solutions;
- Face problems due to **insufficient and dispersed funding**, in terms of local level and size of funding, compared to other research sectors;
- **Favour exchange between national programmes** and European work programmes, in order to avoid a single top-down approach.

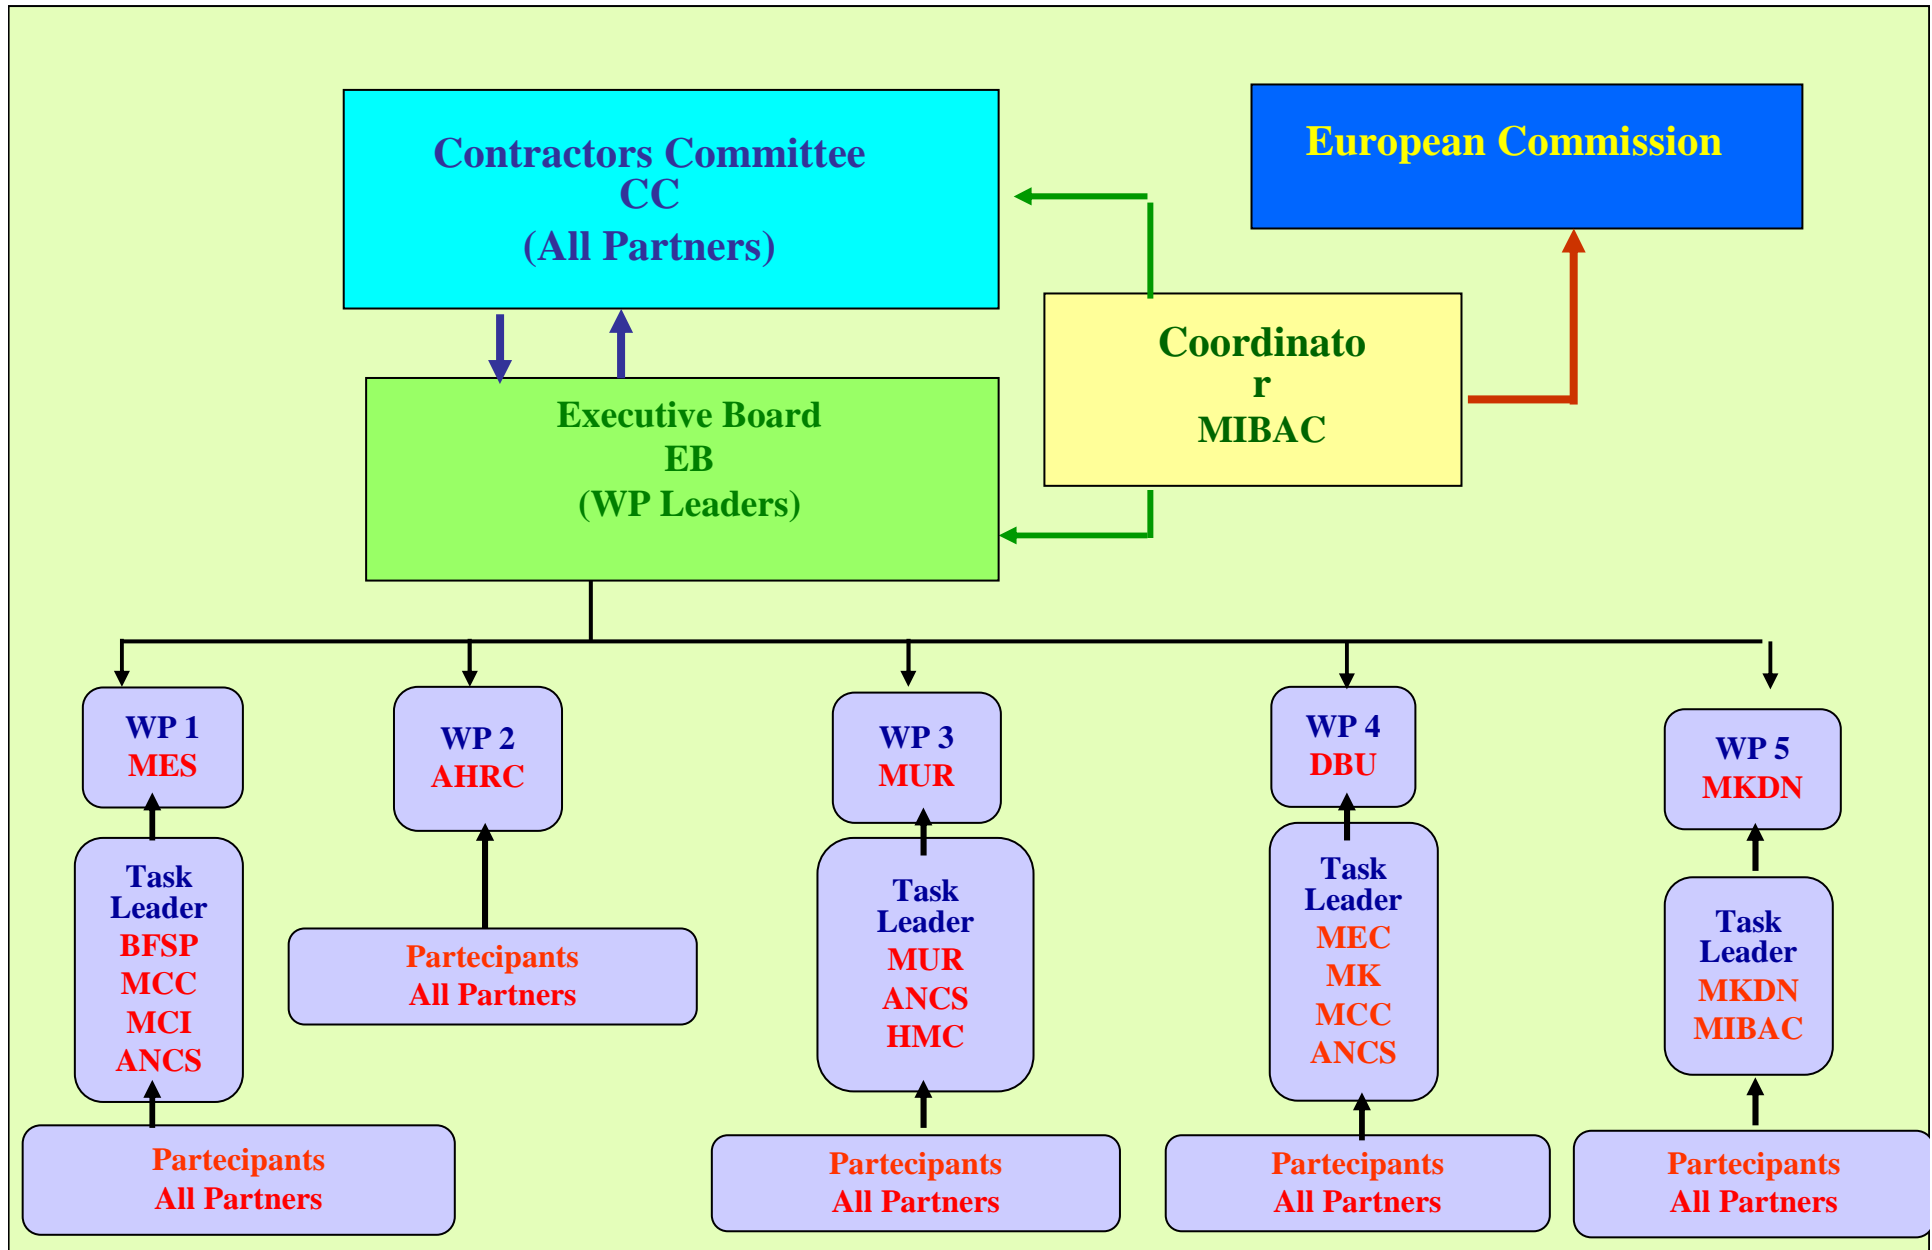

NET-HERITAGE : PRINCIPAL BENEFITS

- Coordinating actions within the European partnership, aiming to promote and maintain the excellence of European research applied to tangible cultural heritage;**
- Favours the protection of the moveable and immoveable tangible heritage through measures designed for an integrated and sustainable development of the European environment;**
- Expanding the potential of the cultural heritage research sector, which has much in common with environmental and social sustainability, in particular, underpinning collaborative research in the field of Sustainability and Cultural Heritage, Environmental Technologies, Global Change, Environmental Impact Assessment;**

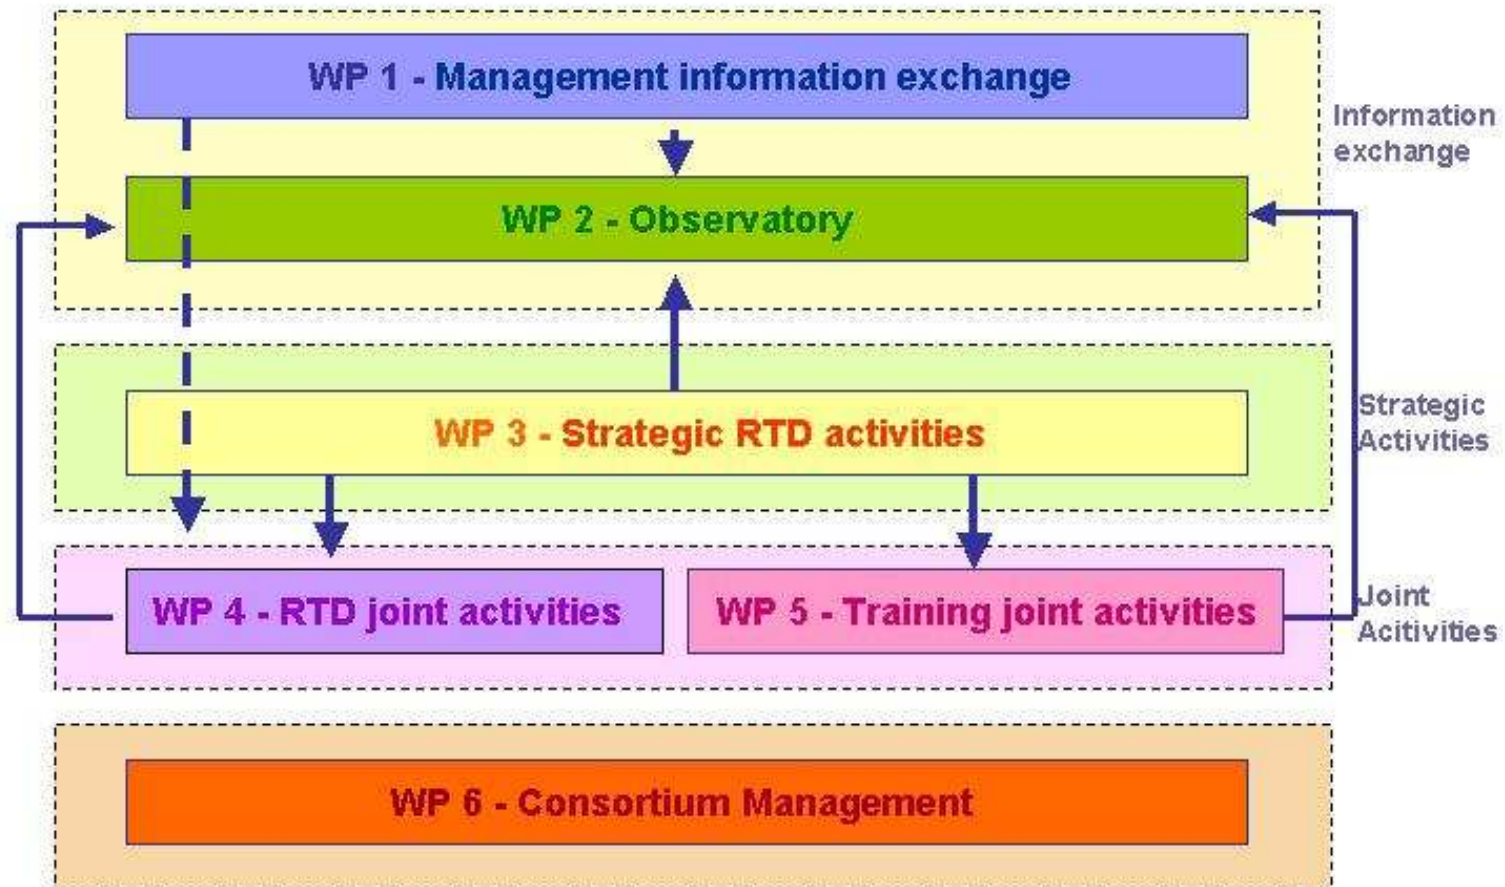

NET-HERITAGE : PRINCIPAL BENEFITS

- Enhancing the dissemination of research results and news in the field of protection of tangible cultural heritage;**
- Increasing the visibility of the social and economic importance of the cultural heritage sector both at the European level and among member states;**
- Supporting educational and training programmes and activities in the sector;**
- Developing a common framework of policies aimed at improving the protection of cultural heritage;**
- Favours common actions aimed at promoting European Cultural Heritage research outside Europe.**
