

NET-HERITAGE final meeting Rome

WP4 – implementation of joint activities and visibility

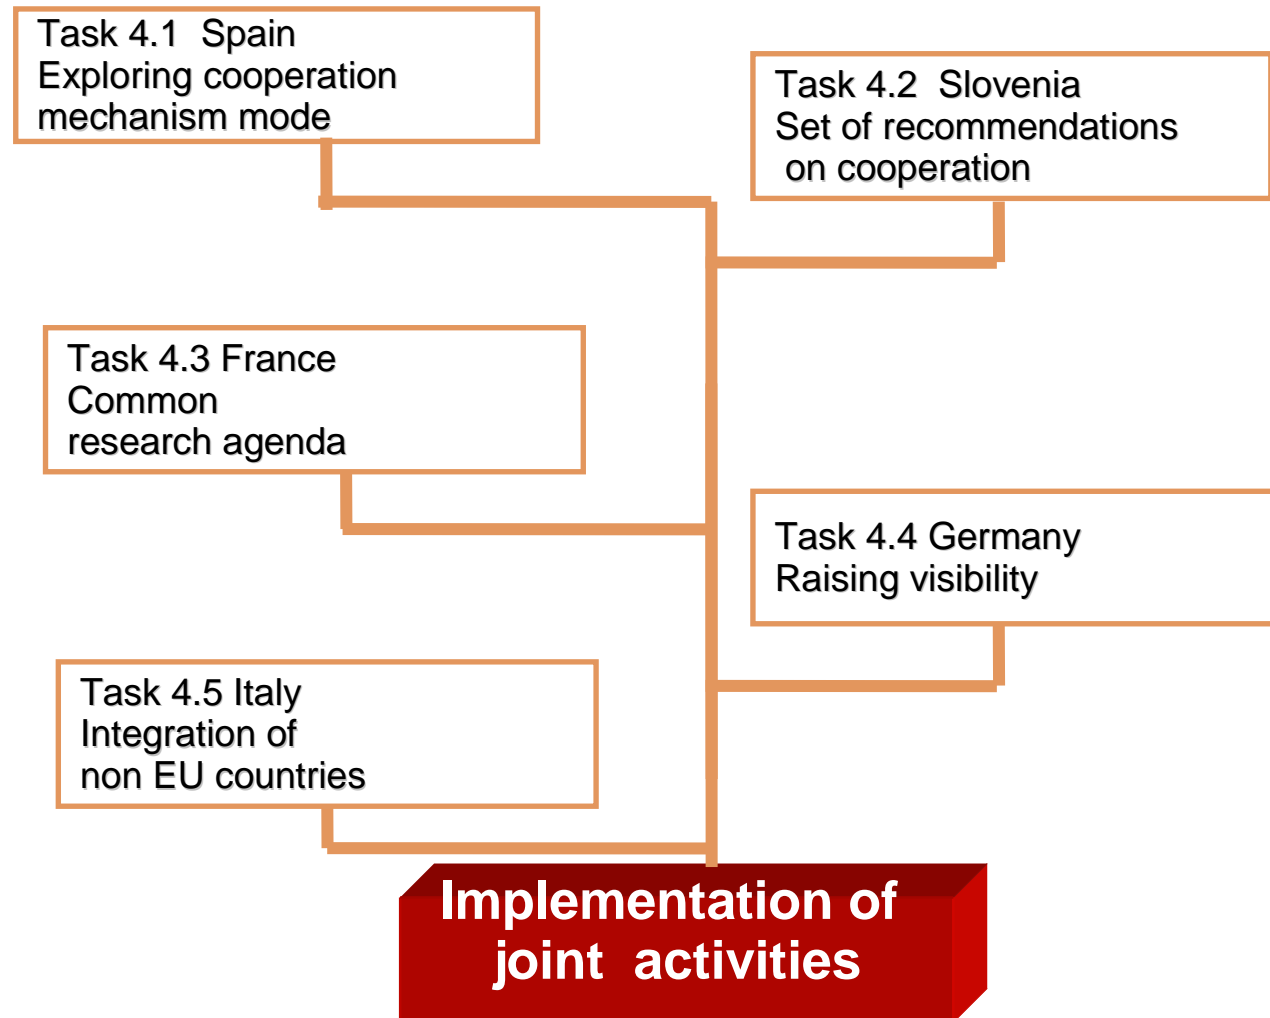

September 22nd 2011

**Lutz Töpfer, DBU; Johanna Leissner, Fraunhofer-Gesellschaft;
Nina Schwab, DBU, Viktoria Piehl and Sybil Klein, Fraunhofer Gesellschaft**

Deutsche Bundesstiftung Umwelt

WP4 –implementation of joint activities and visibility

Task 4.1 Spain - Exploring cooperation mode

Performing a survey about the cooperation possibilities :
the research topics, the funding modes, cooperation
mechanisms

Result:

Significant interest in launching common calls

9 partners are willing to cooperate within NET-
HERITAGE

12 partners within a continuation after NET-HERITAGE

Real common pot is not acceptable for majority of
partners.

Virtual mode preferred

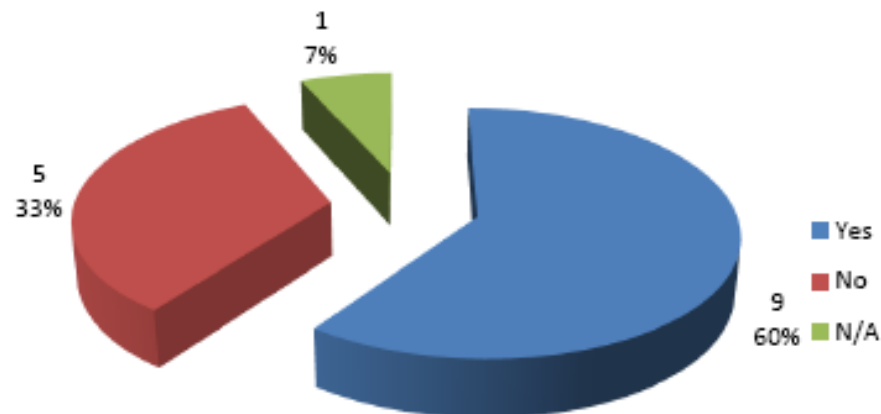

Task 4.1 Spain - Exploring cooperation mode

Agreement on the priority of 4 research topics:

- Environmental assessment and monitoring
 - Investigation of damage mechanisms to establish preventive conservation strategies,
 - Evaluation of treatments and materials used in conservation at present and over recent decades, assessing their suitability and future consequences
 - Tele-survey and Geographic Information systems for protection and management of tangible cultural heritage

Results of deliverable 4.1

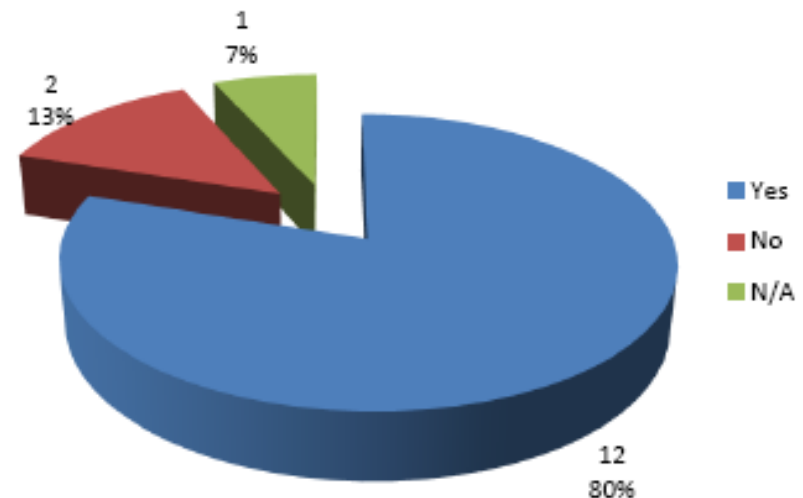

- Q1: Participation in a Call within NH

MES-BL; MCC-FR; DBU-GE; HMC-GR; MK-SL; MICINN-SP
ANCS-RO; MIBAC-IT; MIUR-IT

- Q2: Participation in a continuation of NH (ERA-Net or ERA-Net+)

MES-BL; MCC-FR; DBU-GE;
HMC-GR; MCI-IC*; MKDN-PL;
MK-SL; MICINN-SP; AHRC-UK;
ANCS-RO; MIBAC-IT; MIUR-IT

Task 4.2 Slovenia Set of recommendations on cooperation

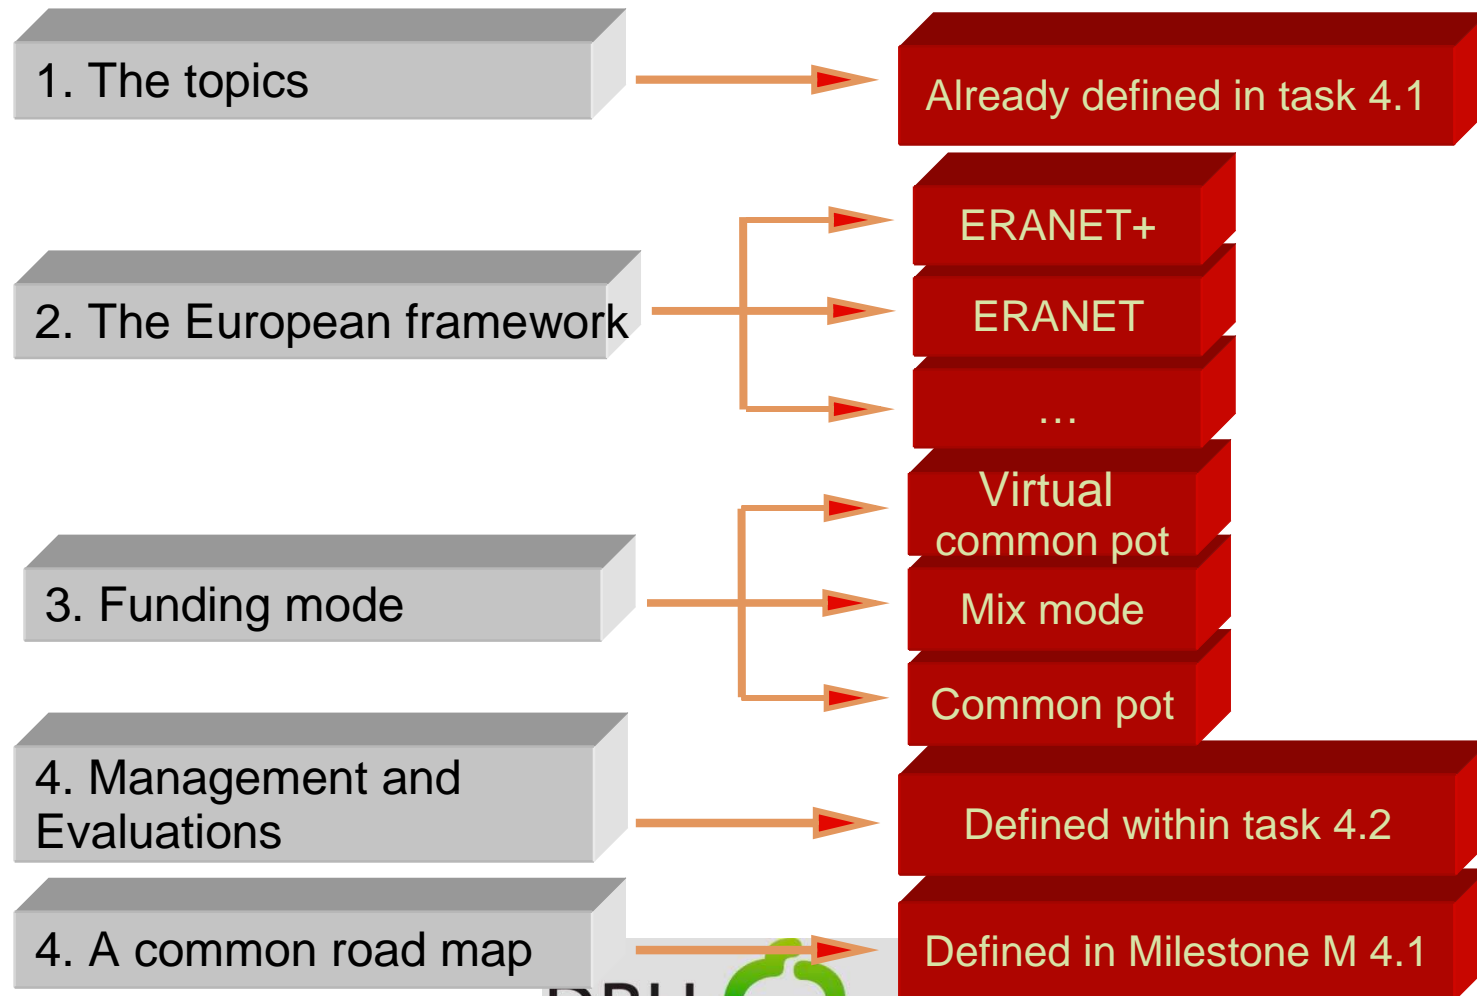

- The task examines the degree of convergence of European RTD programmes
- on the basis of FP6 evaluation studies and NH WP1 deliverables, analysis of selected other ERA NETs and Netwatch documents
- **deliverable 4.2 presents possible schemes for a potential joint call management and evaluation procedures.**

Task 4.3 France Common research agenda

- The aim of this task is to implement the first step for a joint research programme
- The result is a Memorandum of Understanding (MoU) between the partners
- This MoU is structured on the different aspects of the future

Task 4.3 France Common research agenda

The Common research includes the 5 elements below

Task 4.4 - Policy document for the support of cultural heritage research on European and Member States level

- **NET-HERITAGE consortium agreed on a document about the „green paper“, sent to EC by May 20th - is available online**
- **Documents sums up results of NET-HERITAGE, especially: research priorities, situation of research funding, future research projects**
- **Economic context of cultural heritage research**

Milestone 4.2: European conference and national parliamentary evening

- Conference in Brussels: Increasing Europe's competitiveness through cultural heritage research March 24th 2011
- parliamentary event in Berlin at September 28th 2011
- sustainability strategy

National parliamentary evening: Representatives from all parties of the Bundestag

Diskussionsteilnehmer auf dem Podium:

Lutz Töpfer

Leiter des Referats Umwelt und Kulturgüter, Deutsche
Bundesstiftung Umwelt, Osnabrück

Prof. Dr. Stefan Simon

Direktor Rathgen-Forschungslabor, Stiftung
Preußischer Kulturbesitz, Berlin

Mario Ali

Generaldirektor für die Internationalisierung der
italienischen Forschung, Ministerium für Bildung,
Universität und Forschung, Rom

Heidrun Bluhm

MdB, wohnungspolitische Sprecherin, Die Linke, Berlin

Monika Griefahn

Umweltministerin Niedersachsen a. D., SPD,
Buchholz

Sebastian Körber

MdB, baupolitischer Sprecher, FDP, Berlin

Undine Kurth,

MdB, Bündnis 90/Die Grünen, Berlin, Kuratoriums-
mitglied der Deutschen Bundesstiftung Umwelt

Johanna Leissner,

Wissenschaftliche Vertreterin für Fraunhofer/
Forschungsallianz Kulturerbe/Fraunhofer Netzwerk
Nachhaltigkeit, Brüssel

Außerdem angefragt:

Petra Merkel, MdB, SPD

und ein Vertreter der CDU/CSU-Fraktion

Task 4.5: International cooperation

The task was to establish mechanisms for networking of RTD programmes for the enhancement of cooperation frameworks and Integration in pre-accession, EU geographical neighbours and non-EU geographical neighbour nations and international Countries

Task 4.5: Results

analysis in following countries

Austria

Latvia

Norway

Ireland

Lituania

Croatia

Cyprus

Portugal

Turkey

Czech Republic

Slovak Republic

Israel

Denmark

Sweden

Finland

The Netherlands

Task 4.5: Results

- **7 Countries (EU member states) have research programmes in which cultural heritage is mentioned or embedded:**

AT, CY, DK, EL, LT, NL

- **However, information on the research of member states is fragmented and non homogeneous, it is estimated that the total funding in the EU countries amounts to a total of € 100 - 150 mio. per year**

Thanks to all partners of WP4

Spain
Slovenia
France
Italy
Germany

Thank you very much for your attention!
